

APPOINTMENTS TO THE RESEARCH COUNCILS 2010

The Research Councils fund research, research facilities and postgraduate training. The Appointments Panels for the following three Councils are seeking applications from suitably qualified academics and experienced individuals from the industrial/commercial sector, to fill a number of vacancies, including some with Audit Committee responsibilities, for part-time membership, which are expected to arise during 2010:

Biotechnology and Biological Sciences Research Council (BBSRC)
Engineering and Physical Sciences Research Council (EPSRC)
Science and Technology Facilities Council (STFC)

THE CLOSING DATE FOR THE RECEIPT OF APPLICATIONS IS
13 November 2009

The Secretary of State for Business, Innovation and Skills will appoint members to the Councils on merit after considering advice from the Appointments Panels. The Secretary of State is committed to the principle of public appointment with independent assessments, openness and transparency of process and to providing equal opportunities for all, irrespective of race, age, disability, gender, marital status, religion, sexual orientation, transgender and working patterns.

An honorarium of £6,850 is paid annually.

Further information about the vacancies, application forms and interview dates are available to download via our web site at:
