Final Report and Evaluation for a STFC Science in Society Award

1. Project Details

Project Title	STFC Ref.
Principal Applicant	Institution
Start Date	Finish Date

2. Achieving Objectives

Please list the original objectives stated in your application and, against each one comment on how they were achieved. If any of the objectives changed or were not achieved please state why.

3. Size of Audience Reached

Please give your estimate of the numbers actually reached in each category

aged 5-10 11-16 17-18 Family
 General public Teachers Other Group (specify below)

Can you provide us with some insight into the gender split, ethnic make-up or socio-economic background of your audiences?

Please give details of any particular group targeted (e.g. a particular ethnic group)

How did these figures compare with your target (as noted in your application)?

4. Further Statistical Information

If you have gathered statistical information about your project (e.g. audience satisfaction or hits on a website) please give a summary here.

5. Lessons Learned

If you were to carry out the project again, what, if anything, would you do differently?

6. Summary

Please provide a summary (not more than 250 words) of your project which we may post on the web for the information of others (this is the only section of the Final Report that is made public).

Please send any resources or materials produced which may be made available to others to Chris.woolford@stfc.ac.uk

8. Feedback to STFC

Please make any suggestions as to how we might improve the STFC Awards Scheme.

Additional documents required:

- **Any evaluation undertaken as part of this project, for example, if formal evaluation were commissioned - a copy of the evaluator's report; if questionnaires were distributed – a summary of the results.**
- **An example of any resources produced, for example, links to a website; copies of printed materials; photos of events taking place.**

Thank you for participating in the STFC Science in Society awards schemes. We hope you found the process straightforward, the staff helpful and well informed and the project development process engaging and stimulating. We look forward to working with you again in the future.
