

**REPORT AND EVALUATION FOR A SCIENCE and DISCOVERY CENTRE AWARD**

**1. Project Details**

Project Title	STFC Code
Principal Applicant	Institution
Start Date	Finish Date

**2. Size of Audience Reached**

Please give your estimate of the numbers actually reached in each category

Young People: aged 7-11  11-16  16-18  18-21

Adults: Teachers  General public  Other Group (specify below)

Can you provide us with some insight into the gender split, ethnic make-up or socio-economic background of your audiences?

Please give details of any particular group targeted (e.g. a particular ethnic group)

How did these figures compare with your target (as noted in your application)?

### **3. Statistical Information**

If you have gathered statistical information about your project (e.g. audience satisfaction or hits on a website) please give a summary here.

### **4. Outcomes**

What do you consider to have been the main outcomes of your project? Please consider the extent to which your original aims and objectives have been achieved. Where possible, give the evidence on which your judgement is based.

## 5. Lessons Learned

If you were to carry out the project again, what, if anything, would you do differently?

## 6. Summary

Please provide a summary (not more than 250 words) of your project which we may post on the web for the information of others. Please include a note of any resources or materials produced which may be made available to others, and how they may be obtained.

## **7. Feedback**

Please make any suggestions as to how we might improve the STFC Science and Discovery Centre Awards Scheme.

### **Additional documents required:**

- **A financial statement giving a breakdown of how the funds awarded were spent.**
- **Any evaluation undertaken as part of this project, for example, if formal evaluation were commissioned - a copy of the evaluator's report; if questionnaires were distributed – a summary of the results.**
- **An example of any resources produced, for example, links to a website; copies of printed materials; photos of events taking place.**

**Thank you for participating in the STFC Science in Society awards schemes. We hope you found the process straightforward, the staff helpful and well informed and the project development process engaging and stimulating. We look forward to working with you again in the future.**
